

REMARKS

This US application claims priority from PCT/GB2004/002711 filed on 23 June 2004 and GB 0314593.5 filed on 23 June 2003.

The U.S. Patent Office is hereby requested to examine the application as amended. The amendment to the specification was made to include the priority information. No new matter has been added by making this amendment.

We have also enclosed a copy of an Examination Report from the UK Patent Office dated August 5, 2004, consisting of three pages and is being submitted to complete the records of the prior art known to the Applicant which may be relevant to the present invention.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicant's attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

Richard Colin Fitzgerald
